

# 15TH IFEA WORLD ENDODONTIC CONGRESS

## SYDNEY, AUSTRALIA | 27-30 AUGUST 2026

### Thursday 27 August 2026

**The opening day will feature a strong programme of 6–8 workshop options, offering valuable learning opportunities, hands-on experience and networking opportunities. More information will be available once confirmed.**

*Program is subject to change.*

	Workshop 1.	Workshop 2.	Workshop 3.	Workshop 4.	Workshop 5.	Workshop 6.	Workshop 7.	Workshop 8.
06:00PM								
07:00PM	WELCOME RECEPTION							
08:00PM								

# 15TH IFEA WORLD ENDODONTIC CONGRESS

## SYDNEY, AUSTRALIA | 27-30 AUGUST 2026

International Federation of  
Endodontic Associations

### Friday 28 August 2026

07:45AM - 07:00PM	REGISTRATION OPEN			
08:45AM - 9:45AM	Opening Ceremony			
09:55AM - 10:45AM	Vital Pulp Therapy: Bridging Biology and Clinical Practice – A 16-Year Perspective <i>Prof Nessrin Taha</i>	Country Representative	Country Representative	Oral Presentation
10:45AM - 11:15AM	MORNING TEA			
11:15AM - 12:05PM	Managing deep caries: is pulp exposure a problem? <i>Prof Hal Duncan</i>	Country Representative	Country Representative	Oral Presentation
12:10PM - 01:00PM	Auto-transplantation & decoronation – do they belong to the past? <i>Prof Liran Levin</i>	Country Representative	Country Representative	Oral Presentation
01:00PM - 02:20PM	LUNCH			
02:20PM - 03:10PM	Neurophysiology of Pulpal and Apical Inflammation <i>Prof Anibal Diogenes</i>	Country Representative	Country Representative	Oral Presentation
03:15PM - 04:05PM	Beyond the Apex: A Multidisciplinary Approach for the Management of Complex Endodontic Challenges in Children and Young People <i>Prof Sondros Albadri</i>	Country Representative	Country Representative	Oral Presentation
04:05PM - 04:35PM	AFTERNOON TEA			
04:35PM - 05:25PM	Local Speaker	Country Representative	Country Representative	Oral Presentation

Saturday 29 August 2026

08:00AM - 09:00AM	REGISTRATION OPEN			
09:00AM - 09:50AM	Enhancing root canal cleanliness in minimally invasive instrumentation of necrotic root canals: Multisonic high speed or laser activated irrigation? <i>Prof Mustafa Gundogar</i>	Country Representative	Country Representative	Oral Presentation
09:55AM - 10:45AM	The Asymptomatic Persistent Endodontic Lesion – what do we know about it? <i>A/Prof Victoria Yu</i>	Country Representative	Country Representative	Oral Presentation
10:45AM - 11:15AM	MORNING TEA			
11:15AM - 12:05PM	Selection of niti instruments to minimise file fractures <i>Prof Henry Kim</i>	Country Representative	Country Representative	Oral Presentation
12:10PM - 01:00PM	What happens in the end? 10yr survival data of a prospective study on endodontic retreatments. <i>Prof Francesco Mannoci</i>	Country Representative	Country Representative	Oral Presentation
01:00PM - 02:20PM	LUNCH			
02:20PM - 03:10PM	Restoration of Vital Pulp Therapy and Regenerative Endodontics: Evidence Base and Future Directions <i>A/Prof Dr Jeeraphat Jantararat</i>	Country Representative	Country Representative	Oral Presentation
03:15PM - 04:05PM	Local Speaker	Country Representative	Country Representative	Oral Presentation
04:05PM - 04:35PM	AFTERNOON TEA			
04:35PM - 05:25PM	Local Speaker	Country Representative	Country Representative	Oral Presentation
05:25PM - 06:15PM	Local Speaker	Country Representative	Country Representative	Oral Presentation
07:00PM - 11:59PM	CONGRESS DINNER			

# 15TH IFEA WORLD ENDODONTIC CONGRESS

## SYDNEY, AUSTRALIA | 27-30 AUGUST 2026

### Sunday 30 August 2026

08:00AM - 09:00AM	REGISTRATION OPEN			
09:00AM - 09:50AM	Contemporary Advances and Future Directions in Endodontic Irrigation <i>A/Prof Bettina Basrani</i>	Country Representative	Country Representative	Oral Presentation
09:55AM - 10:45AM	Exploring the impact of Immunology and Immunomodulators in Apical Periodontitis <i>Prof Elisabetta Cotti</i>	Country Representative	Local Speaker	Oral Presentation
10:45AM - 11:15AM	MORNING TEA			
11:15AM - 12:05PM	TBC <i>A/Prof Adham Azim</i>	Country Representative	Local Speaker	Oral Presentation
12:10PM - 01:00PM	Updates in Endodontic Medicine: The Interrelationship Between Endodontics and Systemic Health <i>A/Prof Maximiliano Schünke Gomes</i>	Country Representative	Local Speaker	Oral Presentation
01:00PM - 02:20PM	LUNCH			
02:20PM - 03:10PM	Using Imaging and Histology to Understand External Invasive Cervical Resorption <i>Asst. Prof Athina Mavridou</i>	Country Representative	Local Speaker	Oral Presentation
03:15PM - 04:05PM	Local Speaker	Country Representative	Local Speaker	Oral Presentation
